

## VIRTUAL EPC MEETING 30.03.20

We have decided that our best response to the spread of the Corona Virus is to hold a virtual meeting on Monday evening, March 30<sup>th</sup> at 8pm. We are in uncharted territory and we believe that this is the safest way to respond.

(For your information, the current advice from NALC at the time of writing is to stop holding any physical meetings or gatherings during this time. More government guidance is expected in the next few weeks.)

If you would like to join the meeting, please follow the instructions below.

Alternatively, you can write/email the clerk with any concerns that you would like to be raised in the meeting.
