

Jane's Watch

November 2016

Dear Residents

Overnight of the 25th & 26th October 2016 there was an attempted burglary to a garage in Green Lane, Ellisfield, thankfully due to a good secure lock entry was not gained. If you have any information relating to this please call PC Reid directly.

Additionally, information is sought concerning a criminal damage offence, which occurred overnight of the 27th & 28th October 2016 at the 'Kite field' behind Southlea. A wire strand fence was cut near to the mast end. PC Reid is aware of various incidents that have occurred in that area of late. He is pleased to have been advised that additional security measures have now been put in place to protect and record property in that area. Again, if you can help please make a direct call to PC Reid, as always all calls are treated in the strictest of confidence.

As we move into December and towards the festive period we ask that all Residents **please** pay attention to their home security. Please ensure lights are left on and perhaps a radio is on whilst you are out. Always endeavour to make your home look as if someone is in.

Important Christmas Reminder! Residents are strongly urged not to drink and drive; the Constabulary will be launching its annual Christmas drink drive campaign where drivers will be breath tested in the mornings as well as at night. Also please make sure all your vehicle lights are kept clean and in full working order. Recently a large number of vehicles have been seen being driven with defective lights – please take a moment to check your vehicle.

If you can help with any information regarding the two crimes above, please do call as soon as you are able to.

May we both take this opportunity to wish you All a Very Happy, Safe and Secure Christmas and thank you very much for your continued support and vigilance.

Best wishes

Jane Hannah & PC Andrew Reid
