## SPECIAL VILLAGE PLAY EQUIPMENT CONSULTATION BULLETIN

Your Council agreed at its last meeting agreed to consult village residents on a proposal to erect additional items of play equipment on Lower Common next to the swing. This consultation is being carried out as despite the enthusiasm of the proposers there have been some concerns raised about this proposal, (see below).

The items proposed are low lying, completely wooden constructions and do not require additional safety matting. They are shown overleaf with measurements. The equipment will be funded by voluntary contributions/fundraising.

### ARGUMENTS FOR:

The main arguments by those who support the project are that it would enhance the interest currently provided by the swings for children and that a better central location where mothers, grandmothers and children can get to know each other and the children enjoy each others company, has the greatest merits versus other village locations.

### ARGUMENTS AGAINST:

The main arguments by those who object to the proposals relate principally to the location. In particular the visual impact on a beautiful open space and the nuisance if the equipment attracts more rowdy youths from the locality here than were already attracted to the swings/seat and football nets already in situ.

## CONSULTATION VOTING SLIP please detach

(one vote per house)

Name:

Address:

***I/We are in favour of/against the proposed erection of  
play equipment as shown on overleaf.***

**YES / NO**  
**In favour / Against**

(delete  
as applicable)

Signed: ..... Date: .....

Please return to parish clerk or a councillor no later than Sunday 18 March 2012
